TEFL certified | Police clearance held | Driving permit Category C1 (UK & Europe)

PROFILE

Instructional designer and homeschool co-educator specialising in experiential, project-based multimedia learning. Since May 2023 I have co-educated in the same private household as Anuscha van Niekerk: I turn her lesson scripts into pictures, video, worksheets, quizzes and 3D materials; I research trips; I film destination lessons; I teach sport; I keep devices child-safe. I built ExamStudio so papers can be drafted with AI and published only after a teacher reviews them, including 3D diagram questions a learner can actually turn in their hands.

EXPERIENCE

Homeschool co-educator & learning support

May 2023 - Present

Alongside Anuscha van Niekerk, private family household

- Learning support and exam preparation. Build pictures, video, worksheets, quizzes and 3D or VR from Anuscha's scripts.
